

All you need  
to know about  
our global  
fundraiser  
in September!

## GET INVOLVED

By taking part in Bee Active for GRIN2B, you'll help support the community of individuals and families impacted by a GRIN2B diagnosis. Have fun, get fit and Bee Active!

- **Pick a date and time in September**, and choose a way to "bee" active that suits you and your family. If possible, partner with GRIN2B families who live near you.
- **Register and create your event page at:**  
<https://2023-bee-active-for-grin2b.raisely.com>  
Customize your page and add stories!
- **Suggested Activities:** Plan a walk around your neighborhood, park or school, participate in a local 5K or create your own, organize a fitness class, host a dance marathon or anything else active you can think of!

Share your event page with family and friends to raise much needed funds for GRIN2B Foundation:

- **Send a simple email message** letting coworkers, friends and family know about your Bee Active event. Share a bit about your child and their diagnosis if you feel comfortable, and don't forget to share your event page link!
- **Post your event page frequently on social media** as it's tricky to know who sees each social media post! Tag all your family and friends who are attending so they can also share your event page.
- **Complete your activity on your chosen date!**  
Share photos and progress on your profile page.
- **Send your pictures to [info@grin2b.com](mailto:info@grin2b.com)**, and we'll feature your event on our social media accounts.
