

2026 SPONSORSHIP OPPORTUNITIES

Bee Active for GRIN2B

About the Program

The **Bee Active for GRIN2B** program was launched by the GRIN2B Foundation in 2020 to raise awareness and funds for GRIN2B-related Neurodevelopmental Disorder through community-driven activities.

Since its inception, the campaign has engaged individuals and families from around the world, encouraging them to participate in physical activities like walking, running, and cycling while raising funds to support vital research and patient programs.

This initiative has not only generated critical resources for the foundation's work but has also fostered a sense of unity and purpose within the GRIN2B community, empowering families to take an active role in advocating for their loved ones.

The ongoing impact of Bee Active continues to drive awareness and support for those living with this rare disorder.

Bee Active for GRIN2B Impact

Since its launch, the Bee Active for GRIN2B program has raised over \$300,000, with **participation from hundreds of individuals across 10 different countries.**

In 2024 alone, the campaign attracted more than 150 participants, helping to fund critical research initiatives and patient support programs.

The campaign has significantly increased awareness of GRIN2B-related Neurodevelopmental Disorder, with social media engagement growing yearly by 25% during the event. **It continues to be a key driver in uniting the global GRIN2B community.**
